

Critique Coversheet

Complete this before a critique—and share this with your work, so your partner knows how to help!

My name	My critical friend
---------	--------------------

Goals

My big goals in this project:	One or two specific goals for this draft:
-------------------------------	---

Professional influences—You must have at least one; please add more.

Use this space to tell your partner about great work that you respect, and are using as examples. Where needed, show your critique partner the work that you are using as an example!
